The Family of Angels Gala

Larsa Palace • November 9, 2024

You are invited to sponsor the World Medical Relief 71st Anniversary Gala! The theme for this year's Gala is "*Family of Angels*." The world is a better place when people are able to look into the future with a sense of family connection, hope, and excitement. This "*light at the end of the tunnel*" sensation is not available to people who cannot afford their medical resources.

For 71 years, the World Medical Relief Family of Angels have been providing people with medical resources they need to live a healthy life. At this year's Family of Angels Gala, we will celebrate past achievements, acknowledge the importance of providing service to those in need, and strive to inspire people to continue providing help for future generations.

World Medical Relief's programs help people locally and internationally. We provide medical resources such as medical equipment, medical supplies, medicine, and affordable prescriptions to people who cannot afford these services.

Our annual gala is crucial to help raise the necessary funding we need to operate our programs. We hope you are going to sponsor this year's *Family of Angels Gala!*

Attire: Black tie / Formal

Program includes:
